

Advertise For Only $100.00 Per Month

Jay Dellinger, Publisher

Reach thousands of local readers on LincolnHerald.com for only **$100 per month** with this limited-time advertising offer.

While our **traditional ads offer more space and more added features with a higher price tag**, this $100 monthly option gives you a powerful presence at an unbeatable price—perfect for small businesses, quick promos or first-time advertisers needing much less ad space and features.

Your ad includes your **logo, business name, location, what you do, your phone number and a click to your site or Facebook**—all packed into a clean, effective 300x100 pixel banner. It's designed to give your business the spotlight it deserves.

Even better, your ad will appear on our **homepage, inside pages and mobile site**, giving you maximum visibility across all platforms.

Ad space is limited, and at this price, spots won't last long. Whether you're promoting a business, special event or seasonal deal—this is your chance to get noticed on one of Lincoln County's most-read websites.
