United Way Atrium Health and the Lincoln County Health Department are partnering to conduct a Community Health Assessment and we need your input. This survey helps identify the most pressing health needs in our community guiding resources and programs to where they are needed most.

Your feedback will directly impact initiatives that improve healthcare access mental health services and overall well-being for everyone in Lincoln County.

Take a few minutes to share your thoughts—because a healthier community starts with you. Click the link or scan the QR code to complete the survey today.
