

Tip Leads To Drug Seizure And Arrest

Lincoln County Sheriff's Office

LINCOLNTON, N.C. – In early July 2024, the Lincoln County Sheriff's Office Narcotic's Unit received information that Terry Yvette Harrison, 54, of Old Lowesville Road, Stanley, NC was selling large quantities of methamphetamine and fentanyl inside Lincoln County.

The Lincoln County Narcotics Unit made large purchases from Ms. Harrison in Lincoln County during the investigation.

The LCSO Narcotics Unit seized 120 grams of methamphetamine and 7 grams of fentanyl from Terry Yvette Harrison.

On September 9, 2024 outstanding warrants were served on Ms. Harrison at the Gaston County Jail where she was being held on unrelated charges. The Lincoln County charges were possession with intent to sell and deliver methamphetamine, possession with intent to sell and deliver fentanyl, sell and deliver methamphetamine, sell and deliver fentanyl, and maintaining a dwelling for a

controlled substance. She remains in the Gaston County Jail under a $350,000 secured bond.
